## Retractable Gear Attachment Systems

First engineered for SCUBA diving, the Gear Keeper is a rugged, retractable gear attachment system, designed to utilize and protect gear in **severe environments with maximum break strength and durability.**

The Gear Keeper is at the core of an extensive product line that boasts an impressive array of benefits and features: a **patented flushing system** that clears sand and debris from the unit, is **salt-water proof**, and will withstand **high-temperature** environments; a **patented Q/C Connector System** that provides quick and easy connection/disconnection of gear.

The **RT2 series** features 60# break-strength and uses stainless steel nylon coated cable. The **RT3 series** features 80# break-strength and uses Nylon/Kevlar line. The **New RT4 series** features 60# break-strength, an optional high tensile Spectra line for maximum break strength and durability under high line-flexing conditions. The RT4 series also features an optional **Ratcheting Gear Lock™** that eliminates tension on the device during use—ideal for cell phones and PDA's. All three series Gear Keepers have high-impact housings and are available in multiple spring forces and mounting options for any gear you need to keep handy and can't afford to lose.

**Speciality product packages** combine the proper retraction force, attachment accessories and mounting options for specific applications (i.e. Cell Phones, PDA's, Lapel Mics, Two-Way Radios and CB Mics).

The **New RT4 series Cell/PDA Security Tether** with the exclusive **Ratcheting Gear Lock™** allows the cell phone or PDA to be used, while safety tethered, with no annoying tension on the device.

The Gear Keeper securely attaches to a belt, pants or purse next to the cell phone holder and eliminates the worry and hassals involved with dropping or losing the device.

The original **Mic Keeper®** revolutionized communications for firefighters by making the lapel mic easy to use while avoiding the constant nuisance of having your mic drag on the ground or being inaccessible.

■ Rotating Belt Clip Mount

Also available in:  
Threaded Stud Mount  
Heavy Duty Snap Clip  
Velcro Strap Mount  
Epaulet Mount

■ High-Impact Case

■ Stainless Steel Cable  
w/Nylon Coating or High-  
Tensile Spectra Line

■ Multi-Force Options

■ Quick Connect (Q/C)  
w/ Pivot-Ball Connection

■ Custom Cell Attachment Lanyard

**Grab your gear, use it, let it go —  
it retracts back every time!**

Gear Keeper makes whatever you're doing easier while preventing loss or damage to your valuable gear.

## ▶ Cell Phone / PDA Tether

▶ **Standard Model RT2-5450**  
*This low force tether allows easy phone use and prevents loss or damage. Ideal for the user who makes frequent, shorter calls i.e. Contractors; those working at heights or around water*  
 3 oz. Retraction • 28" Extension

**NEW**  
 (Avail. Fall, '06)  
 ▶ **Ratcheting Gear Lock Model RT4-5450**  
*Ratcheting Gear Lock allows phone or PDA to be extended during use with no tension. A simple pull allows Gear Keeper line to retract. Ideal for longer calls and for PDA use*  
 6 oz. Retraction • 28" Extension

*The retractor securely mounts next to the phone on your belt, pants or purse. Tether retracts neatly out of the way when not in use. (Not intended to retract phone)*

**Ratcheting Gear Lock™ allows cell phone to be used with no tension**

## ▶ Retractable CB Mic Keeper®

*Keeps your mic right where you need it; not swinging into your head or dropping on the floor. Includes D-ring for easy mounting to existing screw in headliner, visor or radio mount. Also includes lanyard extension to hang mic at right level for best access*

**NEW** 2X the Spring Life & Longer Extension!

▶ **Standard RT4-4112**  
*Compact unit preferred by 70% of users Adequate extension for most applications with easy retraction force*  
 9 oz. Retraction • 28" Extension

▶ **Heavy Duty Locking RT3-4112**  
*Higher retraction force; longer extension and higher spring cycle life make this unit ideal for the heavy duty user, heavy mics, rough vehicles or when extension to passenger compartment is required.*  
 12 oz. Retraction • 42" Extension

**Grab your mic - use it - let it go.**

## ▶ FRS Radios / Instruments

- ▶ RT2-5352-A Belt Clip Mount  
 Force: 9 oz. Extension: 25"  
 (Shown at left)
- ▶ RT2-5312-A Snap Clip Mount  
 Force: 9 oz. Extension: 25"

## ▶ Large Radios

▶ RT3-4653 Belt Clip / Snap Clip Mount  
 Force: 18 oz. Extension: 36"

## ▶ Lapel Mic Keeper®

- ▶ RT2-4022 Fire Mic Keeper-Threaded Stud Mount  
 Force: 12 oz. Extension: 20"
- ▶ RT2-4052 Police Mic Keeper-Epaulet Clip Mount  
 Force: 9 oz. Extension: 10" (Special Short Extension)
- ▶ RT2-4051 Industrial Mic Keeper-Rotating Belt Clip Mount  
 Force: 9 oz. Extension: 25"
- ▶ RT2-4012 Industrial Mic Keeper-Heavy Duty Snap Clip  
 Force: 12 oz. Extension: 20"
